

Fulfillment & Shipping:

Juices are prepared, frozen and shipped to your doorsteps. All our juices are shipped in a special insulated box to help maintain the quality and coolness of the juices. We will do our best to fulfill your order (s) as quick as possible. After juices arrived at your doorsteps, we urge you to quickly take the juices and place them in the refrigerator / freezer to avoid perishing (the juices are perishable). The Juices should remain in the freezer / refrigerator until ready to be consumed; juices should be consumed within 7 days.

We ship with FedEx Ground (No Shipping on Weekend)
